

**BlueCross BlueShield  
of Illinois**

# Why *choose HMO Illinois?*

Blue Cross and Blue Shield of Illinois provides HMO health care benefits to nearly 870,000 Illinois residents, more than any other HMO in the state.

## Choices

- More than 4,100 network primary care physicians for the HMO Illinois plan
- More than 5,400 network specialists for the HMO Illinois plan
- One hundred and one contracting hospitals for the HMO Illinois plan
- A vast network of contracting retail and mail service pharmacies

## Value

- Annual medical group performance, hospital performance and member satisfaction reports
- The Blue Extras program provides discounts on alternative and complementary health care services, health and wellness products and vision care services
- A 90-day prescription drug supply benefit program saves time and money by providing the option to obtain a 90-day supply of maintenance medications through a network of contracting pharmacies
- Dynamic online resources like Blue Access<sup>®</sup> for Members, which provides confidential access to membership information, medical claims and health and wellness materials
- Out-of-area coverage provides access to health care benefits when traveling or temporarily living out-of-state (valuable for students living out-of-state while attending school)

## Affordability

- Broad hospital coverage
- No coinsurance
- No deductible
- Predictable copays for all health care services including office visits and wellness
